

GEARING UP GROWING MINDS

HANDBOOK

2023-2024

Dear Parents,

We would like to welcome you to the First Assembly Mother's Day Out Program (MDO). We are excited to have you and your child with us for the upcoming year! This handbook was prepared to communicate our vision, explain our policies and procedures, and to give you a reference to use throughout the upcoming school year.

Our program offers an engaging biblically-based environment for children ages six months to five years. Children learn science, math, social studies/emotional skills, and physical education. Our educational curriculum is built off of Louisiana's Birth to Five Early Learning Development Standards, which guide our students through our program to leave ready for kindergarten.

As a preschool ministry, we also strive for our students to grow up making wiser choices, building stronger relationships, and developing deeper faiths. One of the ways we do this is by implementing a weekly, web-based preschool ministry curriculum that provides us with tools for both school AND home to give kids a faith that will last forever and make our school a place they want to be.

We look forward to getting to know you and all the precious children in the upcoming months and thank you for entrusting us with them!

Cheerfully in Christ,

First Assembly Mother's Day Out Team

ADMISSION GUIDELINES

AGE

Children must be between 6 months and 4 years of age to be eligible to enroll for the MDO Program. In accordance with the current Louisiana public school policy, September 30th is the cutoff date to determine class placement for our 2-year-old – 4-year-old program. For example, a child turning 2 before September 30th will be placed in a 2-year-old classroom. Children with later birthdays will be placed in a 1-year old classroom until the previous school year. No children in these age groups will advance into an older class during the school year. Children under the age of 1 will be placed in our infant program until their 1st birthday. Once an infant turns 1, we will begin the transition process to the 1 year old class.

ENROLLMENT

- Classes and extended care are filled on a first-come, first serve basis according to the date of enrollment.
- Children will be placed on a waiting list once the class has been filled and these children will be notified first of any openings throughout the year.
- New registrations will be used to fill vacancies throughout the year once those on the waiting list have been notified.
- Registration for the following school year will be opened first to those who are currently enrolled in the program and then opened to the public.

FORMS

The following forms need to be submitted by Aug 18, 2023 for children to be eligible to start the new school year on the first day. Registration or paperwork submitted after Aug 18 will be considered for a delayed start date which is a week later than the original first day of school.

Afternoon pickup will begin at 2:30pm. We will open the main doors and parents will pick up their children from their classrooms. Your child should be picked up no later than 2:45pm. Aside from emergencies, a late charge of \$1.00 per minute per child will be paid each time a child is picked up later than 2:45pm. In the event it is raining during afternoon pick up, you will receive a text letting you know we will be having a rainy-day car line. This decision will be made as close to 2:00pm as possible. If a rainy-day dismissal is announced, please make sure to have your license ready. We will bring your child to you for you to place in the car seat. This process usually takes slightly longer, so please try to plan accordingly.

CAR LINE SIGNS

A car line sign with the child's name will be given with your Back to School Packet. The car line sign is to be displayed on the dashboard, hanging from the rearview mirror, or visible on the passenger side of the vehicle to insure the safety of your child. Two signs per family are issued. You may request additional signs if needed. This sign is to be displayed for the entire school year during car line also to help our car line flow more quickly.

Our Policies

BEHAVIOR MANAGEMENT

We use positive behavior management to help the child learn acceptable behavior and is a form of constructive guidance. Children need patience and understanding if they are to establish acceptable behavior. The child's age, as well as his/her emotional make-up and maturity will be considered when guiding the child's behavior. To ensure the behavior management is fair and consistent.

When necessary, a teacher will:

- Redefine appropriate behavior and model when necessary.
- Remove child from situation or restrict activity.
- Use timeout if the above actions are unsuccessful except for children under age 2 and within the sight of the teacher. Time out will not exceed 1 minute per year of age.
- Remove the child from the classroom and engage the MDO Administration.

All unusual behavior that is not resolved after completing each of these steps listed above may result in MDO Administration implementing an action plan on a case by case basis.

While we are committed to doing everything possible, we do reserve the right to remove a child from our program when every manner of behavior management has been used and the child's behavior has not improved and is harmful to self or others. All unusual behavior will be documented and sent home for parent signature.

BITING

If a child bites another child, both children will be separated immediately. The parents of both children will be called and notified about the incident. If the bite has penetrated the skin, the bite area will be cleaned and covered. All biting incidents will be evaluated at the child's age appropriate developmental level, and if necessary, an action plan will be implemented.

As guided by Louisiana State Licensing, children will never be subject to physical or corporal punishment, which includes, but is not limited to yelling, slapping, spanking, yanking, shaking, pinching, exposure to extreme temperatures or other measures producing physical pain, putting anything in the mouth of a child, requiring a child to exercise, or placing a child in an uncomfortable position. Children will never be subject to verbal abuse which includes, but is not limited to, using offensive or profane language, telling a child to "shut up", or making derogatory remarks about children or family members of children in the presence of children. Children will not be threatened; will not be disciplined by another child; bullied by another child; be deprived of food or beverages; be restrained by devices such as high chairs or feeding tables for disciplinary purposes; or having active playtime withheld.

For disciplinary purposes, except timeout may be used during active play time for an infraction that incurred during the playtime.
